"We love because he
first loved us."

1 John 4:19

"Spread love everywhere
you go. Let no one ever
come to you without
leaving happier."

- Mother Theresa

Happy Valentine's Day!

Thank you! Because you took the time out of your day to write a thoughtful Valentine for a senior citizen, each resident at the Holden Rehab and Skilled Nursing Center will receive one today. If you personally know anyone who is in a nursing home or the hospital today- take a minute out of your day to let them know they aren't forgotten but are deeply loved.

No matter what your relationships look like with your family, friends, or significant other- take a moment today to ponder Love. What does it mean to truly love someone? Maybe it's saying the hard thing they don't want to hear but need to hear. Maybe it's sacrificing what you want because what they need is more important. Maybe it's surprising them with something thoughtful just because. What does love look like to you and how does God's love for you play into your understanding of it?

God Bless,

Saint Charles Lwanga

St. Charles Lwanga was born in 1860 in the Kingdom of Buganda in the southern part of modern Uganda. He served as a page and later as a major-domo in the court of King Mwanga II. As part of the King's effort to resist foreign colonization, he had begun to insist that Christian converts abandon their new faith, and executed many Anglicans and Catholics between 1855 and 1887. Many of those that were executed were officials in his Royal Court or otherwise very close to him. Among those executed was Charles Lwanga, and the Catholic Church recognizes him as a Ugandan Catholic Catechist martyred for his faith. His feast day is June 3rd.
