*March 21, 2022*

"Trust in the Lord, and  
do good; dwell in the  
land and befriend  
faithfulness."

*Psalm 37:3*

"Lent is about becoming,  
doing, and changing  
whatever it is that is  
blocking the fullness of  
life in us right now,"

*-Sr. Joan Chittister, OSB*

Joyful Monday!

Thank you to all who participated in either the Dear World experience or our Pints with a Priest event last week. We had so much fun with both of them and are anxiously awaiting the delivery of the Brain Tattoo photos we got a glimpse of at the end of the night!

This week marks the 3rd week of Lent. With Easter less than a month away, it's important we take the time to reflect on how our Lenten sacrifices, prayers, and giving have been going. Then consider what you can continue to improve on so that by the end of Lent, there's no doubt you're closer to Jesus than you were on Ash Wednesday.

Also, be sure to check out the last few additional pages. There are some great events coming up in the Worcester area that we encourage you to participate in if you can! If any students would like to attend the Men's Conference, let us know and we'll cover the cost.

God Bless,  
Campus Ministry

## Worship Song of the Week

Thank You Jesus for the Blood- by Charity Gayle  
(click above)

Initially released as a single in 2021, this beautiful song is relevant to this Lenten season because of its powerful lyrics and vocals. The message is about showing gratitude to Jesus for all he has done for God's children. Gayle sings about being saved by the blood He shed, and about finding her purpose through her appreciation of this holy sacrifice.

## St. Isidore of Seville

Born in 560, St. Isidore of Seville, Spain was a scholar, writer and fearless defender of the faith in the 4th & 5th centuries. He was known as a charitable archbishop giving many of his possessions to the poor. His most prominent work the "Etymologiae" was the first Catholic encyclopedia that was used for centuries in seminaries and schools. Because of this notable contribution, and because he believed that knowledge in all areas of study can be used at the service of the Gospel, he was declared patron saint of the Internet users. He died on April 4th, 636. His feast day is April 4th. When you're doing your schoolwork online during this Lenten season, say a prayer to St. Isidore.

*Saint Isidore, pray for us!*
