

Campus Ministry Weekly Update

March 28, 2022

"Whoever claims to love God yet hates a brother or sister is a liar. For whoever does not love their brother and sister, whom they have seen, cannot love God, whom they have not seen."

1 John 4:20

"Families are like branches on a tree, we grow in different directions yet our roots remain as one."

- Unknown

Joyful Monday!

Who do you turn to first when you're feeling stressed and overwhelmed? A member of your family, perhaps? And who do you lash out at first when you're feeling stressed and overwhelmed?

A member of your family?

Why is that? Why do we use those who should give us the most comfort as our personal punching bags? Whatever the reason, we can find ourselves living out that same kind of tumultuous relationship with God. While God will never turn His back from us, we need to pay attention because we might just find that we've turned our back on Him and our pride won't let us turn back around...

Family dynamics can be tricky, so whatever your relationship with your family, take this weekend to enjoy some family drama that isn't your own with *The Addams Family Musical*. Students have been working extremely hard to put this together so let's support them!

God Bless,
Campus Ministry
